Defend Free Speech!

PROTEST ILLEGAL ARRESTS

every Sunday 11:30 am

Five Corners, Vineyard Haven

Mahmoud Khalil, a graduate of Columbia University who was involved in pro-Palestinian protests, has been arrested and detained by ICE with no legitimate legal basis. Tufts University student **Rumeysa Ozturk** was likewise abducted. **Momodou Taal**, who participated in pro-Palestinian activism at Cornell, has been ordered to surrender to ICE in retaliation for his federal lawsuit challenging Trump's executive orders aimed at deporting foreign university students and staff who support Palestine. Others have been detained and harrassed. *It doesn't matter if you agree with their politics. This is a full frontal assault on freedom of speech.*

**Opposition to genocide is not anti-Semitism
and it is not a crime. Free Palestine!**
